FAQ

Artec ScanApp beta - Artec Europe S Artec ScanApp is a brand new Mac OS application, which allows users, for the first time ever to capture 3D data with Artec Eva 3D scanner directly on a Mac.

1. artec scanner

The scans can then be exported to a Windows device for further processing in Studio 11.. Please consider using for these devices We are here to help! If you have any questions or issues, please do not hesitate to contact our team by emailing support@artec-group.. Models: • MacBook Pro and iMac are highly recommended (MacBook Pro provides the best performance).. • MacMini is suitable for 3D scanning small objects, though it is not recommended for average and long scanning sessions.. Tv tuner drivers windows 10 General information You will need the following hardware for Artec ScanApp: • Any Mac that is 2014+ • OSX El Capitan or Sierra • The more powerful Mac you use – the better FPS you will get in 3D scanning session.
