[Karol_11bit](#) at 2014-11-17 11:50 CET: **Good Developer**

Hey guys!

It's Karol from 11 bit studios, the developers of This War of Mine.

We are really happy to hear that you like our game. They prove, that spending 2 years on it was worth it.

I would like to say thank you to everyone, who decides to buy the game and support us - because of that we'll be able to develop TWoM further and create even better games in the future.

If because of some reasons you can't buy the game, it's ok. We know life, and we know, that sometimes it's just not possible.

Here are some codes for the steam copy of the game, so some of you can take a look at it. And if you like the game after spending few hours in, then just spread the word, and you'll help us a lot.

Enjoy!
